

Help with Technical Issues on Facebook

The Helpline Center gets questions from people pertaining to technical issues with Facebook (ie. recovering an account, when it is blocked). Since we have information on non-profit, social service, and government agencies, people are advised to contact Facebook directly for technical assistance. However, here are some helpful links:

- For login and password help:
 - <https://www.facebook.com/help/www/1573156092981768/>
- For the Help Community, popular questions, and to ask a question:
 - <https://www.facebook.com/help/community/>
- For all other help needed (Help Center):
 - <https://www.facebook.com/help/?ref=pf>
