

COVID-19 Care Kit

As we learn to navigate these uncertain times we all have learned that keeping clean and staying a safe distance are key to slowing the spread of this virus. Many people in our community do not have the means to purchase needed items suggested by the CDC. Take time to put a kit together for those in need. Help slow the spread one CARE KIT at a time!

Do It Yourself Projects

COVID-19 Home Care Kit

Supply Ideas

- ♦ Mask
- ♦ Plastic or latex gloves
- ♦ Hand Sanitizer
- ♦ Thermometer
- ♦ Kleenex
- ♦ Clorox/Sanitizing Wipes
- ♦ Zip Lock Bag or container

WHAT TO DO:

- 1) Purchase wish list supplies
- 2) Find small container or Ziploc bag to put supplies into
- 3) Fill container with supplies
- 4) Label COVID-19 Care Kit
- 5) Contact 211 to find an organization to donate to

Delivery

Once completed, the projects can be dropped off or mailed to area nonprofits. If you need information on what agencies will accept the projects, please contact the Helpline Center by calling 211 or email vol@helplinecenter.org.

More information can be found at www.helplinecenter.org/diy.
